

What's Our Case?

ADUSA Transportation is the transportation company of Ahold Delhaize USA, providing transportation services to one of the largest grocery retail supply chains in the nation. ADUSA Transportation delivers fresh and nonperishable products to local brand stores and supports the sustainability of the supply chain by returning recyclable items to recycling centers for processing. Our team is supporting the supply chain network evolution to become a fully integrated self-distribution model of the future, serving leading omnichannel grocery brands – Food Lion, Giant Food, The GIANT Company, Hannaford and Stop & Shop. Our Values

More important than what we do is how we do it. Together, we model our values in everything that we do: Courage, Care, Teamwork, Integrity and Humor.

Position Summary: Warehouse Associate

As a Warehouse Associate, you will be responsible for performing distribution center shipping/receiving functions. In doing so, you will be an essential part of moving product accurately and safely throughout the Distribution Center.

Duties and Responsibilities

- Perform any shipping and receiving tasks that may be assigned by supervisor or appropriate designee.
- Complete all documents related to shipping and or receiving tasks assigned.
- Select and palletize grocery, produce, meat, frozen food and dairy orders for shipment to retail stores accurately.
- Operate pallet jacks, forklifts, and other material handling equipment in a safe and efficient manner.
- Perform pre-operational check of pallet jacks or forklifts according to company policy
- Follow good sanitation practices; keep work area clean and free of debris.
- Make recommendations for modifications to procedures or processes impacting work group or distribution center that will maximize efficiency, productivity, and reduce costs

The above statements are intended to describe the general nature and level of work being performed. They are not intended to be an exhaustive list of all responsibilities, duties and skills required of the position.

Preferred Qualifications

- High School Education.
- Certified on powered industrial equipment where applicable.
- Familiarity/experience in a distribution environment.

Skills and Abilities

- Ability to reach, stoop, bend, and lift up to and including 80 lbs repetitively.
- Ability to meet production standards set by the company.
- Ability to stand for long periods of time.
- Ability to read and understand written and numeric product identifiers.
- Must be able to work needed schedule to perform assigned duties.
- Work in a warehouse environment with varying conditions (i.e., cool temperatures, concrete floors, powered industrial trucks).
- Able to use a personal computer for data entry and research purposes.
- Familiarity with WMS (Warehouse Management System).
- Highly motivated self-starter and team player with strong attention to detail and the ability to prioritize multiple tasks in a fast-paced environment.
