Greater Augusta Utility District
Water | Wastewater | Stormwater

JOB POSTING
Project Engineer

What's in it for me?

- We pay weekly. You will earn **$67,970 to $88,356** annually, depending on experience and qualifications.
- You will be home every night.
- We observe **Maine state holidays** which means 13 paid days off - without using your own paid leave! This is complemented by generous sick and vacation time as well.
- You'll be making the world a better place. The work we do is public health and environmental improvement.
- You'll have good opportunities for overtime and advancement including getting paid to obtain water and wastewater licenses
- We pay for 85% of your health insurance (including your family! Or we'll pay you a generous opt-out if you are covered by a comparable plan by your spouse's employer). We pay 100% of your dental insurance. And we provide great retirement savings..
- You'll get lots of fresh air.

What will I do in this job?

- You'll be part of a skilled team that works together to design, maintain and fix our water and wastewater systems.
- You'll get to see a project from beginning to end.
- You get to use some really cool gadgets and gizmos.

What qualifications do I need?

- Computer aided drafting (CAD) experience or training
- Bachelor's Degree in the field of Civil, Sanitary, or Environmental Engineering, or equivalent combination of training and experience may be considered without a bachelor's degree.
- Certification of Engineer-Intern as issued by the State Board of Licensure for Professional Engineers within 5 months of hire.
- Class C Maine driver's license.
- Class II Water Distribution Operator's License and Class II Water Treatment Operator's License within 18 months from hire date.
- Class II Sewer Collection System license within 18 months from hire date
