

Outpatient Clinician

Waterville, Maine

Being a part of the team at Androscoggin Home Healthcare + Hospice is more than just "fitting in", it is a sense of belonging to a community with people and purpose that make us feel connected. As we grow our Androscoggin family, we want you to experience respect and value for the talents you bring to our team and our mission. It's all about doing something together that makes belonging matter.

Individually we are unique, with our own histories beliefs, cultures and aspirations. Collectively we are a strong, talented and extraordinary group of professionals with a common purpose: To grow and thrive as individuals while working together to improve the quality of life for those in our service. We strive to be the very best version of ourselves and rely on our colleagues to do the same. We support one another. We celebrate achievements. We focus on our mission in the communities we serve.

Come see what it feels like to belong!
