

## HELPING PEOPLE STAY IN THEIR HOMES ONE PATIENT AT TIME

LOOKING FOR A CHANGE OF PACE? WANTING TO ESTABLISH RELATIONSHIPS WITH YOUR OWN CASELOAD OF PATIENTS WITH FLEXIBLE SCHEDULING THAT ALLOWS YOU TO MAKE YOUR OWN HOURS?

A career opportunity is waiting for you as an RN Case Manager at Androscoggin Home Healthcare + Hospice. Become a valued part of our Home Health team and make a difference in the lives of others!

What services does an RN Case Manager provide?

- + One-on-one nursing care with a flexible schedule
- + Assess client's physical and emotional status, level of competency, home environment, safety factors, caregiver's ability to assist with care and needs of the client on admission and through all phases of care.
- + Formulate a nursing care plan in collaboration with client, caregiver(s) and physician including goals of care and treatment plans to attain these goals.
- + Reconcile medications on admission and every visit. Prepare, monitor and educate on all medications, reporting any discrepancies or side effects to physician immediately.
- + Educate and instruct on diagnosis and contributing factors to disease process including prevention and maintenance of illness or chronic disease.
- + Obtain and execute physician orders and keep physicians informed of all pertinent information concerning the client's condition and response to treatment.
- + Develop personal plan of care for clients and provide supervision that aligns with the personal care plan to LPNs, CNAs and PSS .
- + Effectively plan, organize, set priorities and complete paperwork and daily assignments in a timely manner with minimal direct supervision per agency policy.

Needs change on a regular basis so visit us often!
