

Behavioral Health Professional (BHP)

Bangor, Maine

Being a part of the team at Androscoggin Home Healthcare + Hospice is more than just “fitting in”, it is a sense of belonging to a community with people and purpose that make us feel connected. As we grow our Androscoggin family, we want you to experience respect and value for the talents you bring to our team and our mission. It’s all about doing something together that makes belonging matter.

Individually we are unique, with our own histories beliefs, cultures and aspirations. Collectively we are a strong, talented and extraordinary group of professionals with a common purpose: To grow and thrive as individuals while working together to improve the quality of life for those in our service. We strive to be the very best version of ourselves and rely on our colleagues to do the same. We support one another. We celebrate achievements. We focus on our mission in the communities we serve.

Come see what it feels like to belong!

Primary Purpose of Position: Work one-on-one with children or adults who have developmental and cognitive delays to build daily living and behavior management skills in both the client’s home and community settings.

Education: High School Diploma or equivalent, with additional options for applicants with 60 credit hours in a field related to social services, human services, health, or education; 90 credit hours in an unrelated field, and applicants with a diploma or equivalent that have more than three years’ direct service experience.

Qualifications:

- + Basic phone and computer skills required.
- + Valid Driver’s License, with reliable transportation and auto insurance.
- + Must be reliable with high integrity.
- + Strong written and verbal communication skills.
