

Anytime Fitness is considered to be a premier place to work within the industry, where our mission is to help you Get to a Healthier Place®! We are seeking a highly motivated individual with a passion for helping others improve their lives through health and fitness. This is a position to help grow our Personal Training department by working in a creative, fun and upbeat atmosphere where every day is different. **CERTIFIED PERSONAL TRAINER** The Personal Trainer's focus is on helping the member "Get to a Healthier Place®" by employing both Anytime Fitness and the personal trainer's creative approach. Each member will receive an initial fitness consultation that will set the PT on a path for establishing a 1-1 rapport with the member. With access to a facility that includes any/all types of the latest equipment available, the personal trainer will guide the member to their greatest levels of personal achievement in physical health. Additionally, through best-in-class "Train-the-Trainer" programs, the PT will have access to dozens of hours of continuing education. What we offer: \*

- \* Robust compensation plan for training sessions rendered
- \* Guaranteed hourly administrative time plus ongoing commissions
- \* Benefits for full time employees including medical, dental and vision
- \* Future career opportunities within multiple Anytime Fitness locations

**Responsibilities:** \*

- \* Motivate and train the member in a 1:1 and collaborate with group trainers to create live group training environment
- \* Match Anytime Fitness personal training programs "in conjunction with the Personal Trainer's expertise" with the member's goals and abilities
- \* Conduct fitness consultations to ensure the member's goals are registered
- \* Track, monitor and report each member's progress while working to continue an ongoing personal training regiment with each client
- \* Successful Personal Trainers continue education of each member and create long-term relationships

**Qualifications:** \*

- \* Current CPR, AED and personal training certification(s) are required as is a current nationally recognized certification (ISSA & NCCPT/NCCA accredited exams preferred)
- \* Previous Fitness Coaching and/or sales experience is preferred but not mandatory
- \* Superior communication skills (verbal & written) with the ability to connect with people while motivating them to achieve their goals
- \* Desire to continually learn new principles in the areas of training, overall fitness, health and nutrition
- \* Hands on training and experience in areas such as corrective exercise, post-rehab, and injury prevention, are a plus
