

27237BR

Requisition ID:

27237BR

Business Unit:

FSU

Job Description:

Conducts site inspections to validate and record infrastructure damage; includes taking photographs, making site sketches, and writing detailed damage descriptions. Develops and/or reviews scopes of work and cost estimates, including code and standard requirements. Reviews and analyzes architectural and engineering reports, designs, and as-built plans. Makes recommendations regarding claim eligibility. Develops or evaluates hazard mitigation proposals and benefit-cost analyses. Works with applicants to prioritize their projects, facilitates applicant meetings throughout the program delivery and recovery stages, and communicates the final determination to the applicants. Provides analyses and updates reports, participates in status update meetings with FEMA, and identifies the need for technical specialists. Other duties as assigned. May coordinate and complete basic to moderately complex site inspections to validate and record damage to assist in the FEMA Public Assistance grant delivery process.

Visa Sponsorship Available:

No â€“ We will not support sponsorship, i.e. H-1B or TN Visas for this position

Skills and Abilities:

Must be a U.S. Citizen and be able to obtain a FEMA Badge, which includes a background investigation for a Public Trust position. Working knowledge of design applications and technical knowledge. Knowledge of technologies and methodologies in the use of construction materials. Demonstrates good organizational skills to balance and prioritize work. Strong attention to detail. Good written and oral communication skills. Ability to adapt to change quickly and remain flexible.

Background Check and Drug Testing Information:

CDM Smith Inc. and its divisions and subsidiaries (hereafter collectively referred to as â€“CDM Smithâ€“) reserves the right to require background checks including criminal, employment, education, licensure, etc. as well as credit and motor vehicle when applicable for certain

positions. In addition, CDM Smith may conduct drug testing for designated positions.

Background checks are conducted after an offer of employment has been made in the United States. The timing of when background checks will be conducted on candidates for positions outside the United States will vary based on country statutory law but in no case, will the background check precede an interview.

CDM Smith will conduct interviews of qualified individuals prior to requesting a criminal background check, and no job application submitted prior to such interview shall inquire into an applicant's criminal history. If this position is subject to a background check for any convictions related to its responsibilities and requirements, employment will be contingent upon successful completion of a background investigation including criminal history. Criminal history will not automatically disqualify a candidate.

In addition, during employment individuals may be required by CDM Smith or a CDM Smith client to successfully complete additional background checks, including motor vehicle record as well as drug testing.

U.S. Vaccine Status:

CDM Smith Inc. and its divisions and subsidiaries (hereafter collectively referred to as "CDM Smith") are committed to your health and safety. CDM Smith and its employees adhere to all applicable government and client COVID-19 requirements.

Additional Compensation:

All bonuses at CDM Smith are discretionary and may or may not apply to this position.
