

## Join Our Team!

KidsPeace National Centers of New England has immediate openings for Full-Time and Part-Time Behavioral Health Professionals to work at its Graham Lake Residential Program located in Ellsworth, ME. As a supportive counselor, the BHP provides intensive supervision and direction to emotionally and behaviorally challenged children, adolescents and young adults in a compassionate and respectful manner. This position requires an unwavering commitment to safety and the ability to continuously assess and manage ongoing developments and concerns of client care. The BHP is responsible to implement individualized treatment and milieu programming, in the context of trusting and supportive relationships with clients.
