Job Description

CHCS Health Services programs have continued to grow and expand. Become part of our team, delivering home health and hospice care to people in the community.

The RN will provide individualized care to patients recovering from various medical conditions and needing end of life care.

We welcome newly licensed RNs to apply as we are offering you the opportunity to obtain acute care experience as you begin your nursing career. Clinical and home health care experience is a plus.

CHCS believes in the importance of work-life balance, we offer generous leave time with paid sick & vacation time plus seven paid holidays and five paid float holiday time to our full-time staff and pro-rated time for part-time staff.
