

New Leaf Construction is looking for Laborers for our growing and busy company in Rockport, Maine. We are looking for someone with a basic knowledge in carpentry, but if you have no experience at all we are happy to train you! We like to hire people with a positive attitude, a willingness to learn, and we really like folks who take initiative and want to get ahead. Attention to detail is important for all our employees, as well as a willingness to follow instructions. An active driver's license and reliable transportation is definitely a must.

We offer the right employees: 1. Highly competitive wages, with the opportunity for advancement based on performance and experience 2. Paid Holidays and Paid Vacation 3. Paid mileage for certain jobs, as well as a 401k plan and Aflac available at a group rate. Plus, we provide all the company clothing you need, which means you save money on work clothes!

This job is for year-round, full time work, with a Monday-Friday schedule and the opportunity for overtime.Â
