

New Leaf Construction is looking for an experienced Finish Carpenter for our growing and busy company in Rockport, Maine.

We are looking for someone with: 1. Experience in all aspects of trim and molding work, threshold details, basic cabinetry, minor paint and urethane finishes (and maybe even a background in boatbuilding). 2. A positive attitude, eager to learn new tips and "tricks of the trade", as well as a willingness to take initiative and be self-motivated. 3. Keen attention to detail and a willingness to follow instructions. 4. An active driver's license and reliable transportation.

We offer the right employees: highly competitive wages with the opportunity for advancement based on performance and experience. Paid Holidays and Paid Vacation, as well as paid mileage for certain jobs. We also have a 401k plan and Aflac available at a group rate, and we provide company clothing at no cost.

This job is for year-round, full time work, with a Monday-Friday schedule and the opportunity for overtime.
