MDOC is destigmatizing corrections for the betterment of all Maine communities. Through the “Maine Model of Corrections”™, we promote the safety of our staff and residents while reducing barriers to meaningful rehabilitative opportunities. We facilitate restorative justice practices that equip justice-involved residents and clients with the skills they need to become contributing members of society upon release, including treatment, education, and job training.

Make a positive impact in the lives of residents, your community, and your career. When you become a Correctional Officer at Maine State Prison (MSP), you™ provide security and mentorship of adult residents in support of their treatment and rehabilitation.

We are committed to rebuilding lives and are searching for great team players, with a professional attitude and well-developed integrity and ethics, to join us in this mission.
