

At Central Maine Healthcare our team members are committed to providing exceptional care and experiences for our community and for each other every day.

This is a Per Diem, flexible schedule position.

CMH offers Paid Time Off (PTO) package to Per Diem team members!

As a Nuclear Medicine Technologist, your diagnostic imaging specialty plays a pivotal role in providing top quality patient care.

Through your expertise, utilizing specialized equipment, radioactive materials and innovative procedures, we are able to achieve accurate diagnoses, which is vital in the creation of treatment plans for our patients.

What It's Like Working At CMH:

We are all about our team members growth and health. That's why we prioritize work/life balance, community-based wellness initiatives and tuition reimbursement or student loan repayment for ALL of our team members.

The Opportunity:

Central Maine Healthcare is seeking a Nuclear Medicine Technologist (NMT) to join Central Maine Medical Center's Nuclear Medicine Team!

The Nuclear Medicine Technologist prepares, measures and administers radiopharmaceuticals for use in diagnostic and therapeutic studies.

- + Performs and assists with nuclear medicine and PET/CT Exams.
- + Is Responsible for direct patient safety and following all procedural protocols.
- + Maintains all federal, state, and local regulatory agency requirements.
- + Maintains all Joint Commission for the Accreditation of Health Care Organizations (JCAHO) and American College of Radiology (ACR) accreditation requirements.
- + Is able to perform Regional Nuclear Medicine and PET/CT Support at Multiple contract sites as a contract Technologist.
- + Assists in Clinical instruction for Radiology and Nursing students in the field of Nuclear Medicine.
- + Maintains patient care quality standards as it relates to the care provided to all age groups of patients ranging from newborn to elderly.

Education and Experience: 1. CNMT or ARRT certification required 2. Licensed by the State of Maine as a Nuclear Medicine Technologist 3. Current American Heart Association Healthcare Provider BLS certification or Due within one month of expiration required 4. Current DOT HAZMAT training certificate renewable every three years.

Living in Central Maine:

While not at work, our team members enjoy the endless opportunities for entertainment that Maine has to offer. Outdoor enthusiasts can enjoy skiing, boating along the coast and hiking at a state or national park. Centrally located to several popular attractions, residents can embark on

day trips to Boston, North Conway, New Hampshire and Boothbay Harbor. Maine is a wonderful place to raise a family, with safe communities and great public and private schools.

About Central Maine Healthcare

Central Maine Healthcare is an integrated healthcare delivery system serving 400,000 people living in central, western and Midcoast Maine. CMH's hospital facilities include Central Maine Medical Center in Lewiston, Bridgton Hospital and Rumford Hospital. CMH also supports Central Maine Medical Group, a primary and specialty care practice organization. Other system services include the Central Maine Heart and Vascular Institute, a regional trauma program, LifeFlight of Maine's southern Maine base, the Central Maine Comprehensive Cancer Center and other high-quality clinical services.

If you are passionate about making a difference and are looking for your next great career opportunity, we look forward to reviewing your application! AT CENTRAL MAINE HEALTHCARE YOU ARE AT THE CENTER OF EVERYTHING WE DO

Our why, our purpose, drives every decision and action we take as a healthcare system. We strive everyday to deliver exceptional care, and to improve our community. We are a non-profit organization that is breaking the traditional healthcare mold by bringing our patients and their family's high value, low cost, and award-winning care while focusing on creating an exceptional experience for them; all within their communities. To accomplish this, we only hire individuals who are committed to excellence, who embody the principles of our CMH Experience Service Standards, and who are ready to step in and help their fellow team members achieve those exceptional results for our patients, their families, and the community.

Central Maine Healthcare System

The organization is broad in its footprint, with three (3) hospitals in Bridgton, Lewiston, and Rumford, and over 75 individual practices within our Medical Group. Lewiston's Central Maine Medical Center is a certified and award-winning level two trauma center, along with our Central Maine Heart and Vascular Institute and the upcoming highly anticipated launch of our comprehensive state of the art cancer treatment center. Both Bridgton and Rumford Hospitals are four (4) star accredited acute care hospitals, and our Medical Group and Maine Urgent Care Centers have won multiple awards within their specialties. As a system we are a six-time winner of the Leapfrog Safety A Rating since 2019, representing some of the highest quality care and outcomes nationwide. Our awards and accolades are only possible as a result of our commitment to culture, and a focus on safety and inclusion, in each of our patient's experiences and in the experiences we create within our teams.

If you are a person who is looking for a way to give back to your community, to help improve the lives of patients or those who care for our patients, want to be part of a growing organization that is setting the bar for Maine healthcare, apply to join Central Maine Healthcare today!

Diversity and Equal Employment Opportunity

CMH actively promotes diversity in its workforce at all levels of the organization. We strive to create and maintain a setting where we celebrate cultural and other differences and consider them strengths of the organization. CMH is an equal opportunity workforce and no one shall discriminate against any individual with regard to race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity, genetic information or veteran status with respect to any offer, or term or condition, of employment. We make reasonable accommodations to the known physical and mental limitations of qualified individuals with disabilities.
