CTG is seeking seasoned Healthcare Project Managers to continue growing our talent network. Join our team today – we™re excited about upcoming, long-term opportunities with prominent healthcare organizations!

Job Summary:

Work will be analytical and collaborative – relevant activities include, but are not limited to the following:

- Lead project management activities from end-to-end
- Evaluating the scope of a project and identifying critical factors to ensure success completion
- Developing detailed project plans, timelines with clear milestones and workflows to support the implementation of the project
- Identifying key project resources and ensuring their adherence to the project plan
- Facilitating program implementation
- Defining and reporting on key measures of success
- Monitoring performance tracking progress against targets/identified goals
- Have the ability to communicate with clients (both internal and external) on a wide range of digital healthcare topics
- Design and manage databases and document repositories as required
- Documents activities and develop feedback reports to communicate project findings and activities to collaborators and others involved (e.i. workflows, processes, etc.)
- Can define, deploy and utilize a clear escalation plan/path as required by the project(s)
- Perform other-related duties as assigned or requested

Requirements:

- Bachelor™s Degree Required
- 10 plus years of Project Management experience, with specific experience related to Healthcare in a clinical setting
- Expertise with Epic, Cerner, or other EMRs preferred

- PMP certification preferred
- Must be extremely detail oriented, with an ability to develop and deliver high quality work products (e.g. reports, PowerPoint presentations, excel files, etc.)
- Is competent, self-motivated and able to work independently receiving minimal supervision
- Has strong interpersonal and communication skills, can manage multiple projects at various stages and work cross-functionally
- Serves as a facilitator, coach, and change agent in leading projects and multidisciplinary teams
- Directs and completes projects as assigned

CTG Consultants are eligible for full medical, vision, and dental benefits, PTO/holidays/sick time, supplemental insurance coverage, tuition reimbursement and many other great benefits.
