Our why, our purpose, drives every decision and action we take as a healthcare system. We strive everyday to deliver exceptional care, and to improve our community. We are a non-profit organization that is breaking the traditional healthcare mold by bringing our patients and their families' high value, low cost, and award-winning care while focusing on creating an exceptional experience for them; all within their communities. To accomplish this, we only hire individuals who are committed to excellence, who embody the principles of our CMH Experience Service Standards, and who are ready to step in and help their fellow team members achieve those exceptional results for our patients, their families, and the community.

Central Maine Healthcare System

The organization is broad in its footprint, with three (3) hospitals in Bridgton, Lewiston, and Rumford, and over 75 individual practices within our Medical Group. Lewiston's Central Maine Medical Center is a certified and award-winning level two trauma center, along with our Central Maine Heart and Vascular Institute and the upcoming highly anticipated launch of our comprehensive state of the art cancer treatment center. Both Bridgton and Rumford Hospitals are four (4) star accredited acute care hospitals, and our Medical Group and Maine Urgent Care Centers have won multiple awards within their specialties. As a system we are a six-time winner of the Leapfrog Safety A Rating since 2019, representing some of the highest quality care and outcomes nationwide. Our awards and accolades are only possible as a result of our commitment to culture, and a focus on safety and inclusion, in each of our patients' experiences and in the experiences we create within our teams.

If you are a person who is looking for a way to give back to your community, to help improve the lives of patients or those who care for our patients, want to be part of a growing organization that is setting the bar for Maine healthcare, apply to join Central Maine Healthcare today!
