

This position is in support of Child & Youth positions associated with Portsmouth Naval Shipyard in Maine; candidate must be local to the military base or willing to relocate to become local. Candidates must be licensed at the independent practice level in the state of Maine as a Social Worker (LCSW), Therapist (LMFT), Mental Health Counselor (LCPC), or Psychologist.

Provides the full breadth of Child and Youth Behavioral (CYB) Military Family Life Counseling (MFLC) services to children of all ages of military service members and their families at military installations to include civilian expeditionary work force and their families (when activated). These services may include non-medical counseling, training/health and wellness presentations, consultation with parents, personnel at child development centers, and consultation to installation command regarding behavioral health issues affecting children and youth. CYB counselors will be assigned to child development centers, youth programs, summer camps, and on demand assignments. The counselors work closely with the installation and military branch Points of Contact (POC) to assure that the program is provided within scope and meets the needs of the installation.

- + Provides non-medical, short-term, solution focused counseling directly to children and youth of service members. Services include assessment, brief counseling and consultation, action planning, referral to resources (assuring linkage as appropriate), and follow-up as indicated.

- + CYB counselors will also have a focus on supporting the staff and personnel of Child Development Centers (CDC), youth programs and summer camps as well as providing parent support, training and guidance.

- + Provides training and health and wellness presentations, participate in health fairs and other base/installation activities focused on children and youth.

- + Enters counselor activity data on a daily basis through smart phone or web application to assure that reporting is accurate from assigned installation while maintaining confidentiality and anonymity of service/family member.

- + Creates a presence on the installation in which the service and family members feel comfortable approaching the counselor and recognize the program to be confidential. Creates a presence in child and youth settings. Is available to children, youth, and staff. When working with children, counselor must abide by line of sight protocol. (Another adult with responsibility for the child must be able to see the counselor and child they are working with at all times.)

- + Establishes and maintains working relationships with community resources focused on children and youth and provides appropriate linkages.

- + Partners with POC to provide CYB services in a manner that addresses the needs of the installation/facility. Develops an effective and professional working relationship with the installation/facility POC.

- + Manages duty to warn and restricted reporting situations according to Department of Defense (DoD) protocol and staffs the cases with Regional Supervisor/Regional Director.

- + Communicates with Regional Supervisors and participates in regular individual and group supervision, sharing information regarding trends and issues on the installations and in facilities to which the counselor is assigned.

- + Responds to critical incidents and special requests as directed by the POC and approved by the Office of Secretary of Defense (OSD) program manager. The CYB will flex schedule to respond to urgent requests as needed.

+ Participates in regular in-services/training, Quality Improvement committees or other contract activities as assigned/appropriate.

Other Job Requirements

Responsibilities

Master's Degree from an accredited Graduate Program in a Mental Health related field.

Valid unrestricted counseling license from a State, District of Columbia, US Territory or Commonwealth that grants authority to provide counseling services as an independent practitioner.

For assignments in the 50 states, counselors shall be licensed or certified in the state in which the client is receiving services.

Minimum 2 years of post-masters supervised clinical experience.

Must meet the Magellan MFLC CYB criteria for experience with children and youth and specialty in child and adolescent development/psychology.

Pass a Child National Agency Check and Inquiries (CNACI) Clearance and an Installation Records Check (IRC), Criminal History Background Check and FBI Fingerprints Check.

Understanding, sensitivity and empathy for children, service members and their families. Ability to develop trusting, helping relationships. Ability to work effectively with individuals and families from diverse racial, ethnic, and socioeconomic backgrounds.

Ability to prove US Citizenship and must be fluent in English.

Requires ability to engage and communicate with military members or children as assigned, in order to accomplish job functions, and to respond quickly to emergent situations in any physical location on a military installation and/or within a school setting, which includes the need to traverse short and/or long distances within the base to both indoor and outdoor locations, to maneuver through rugged, outdoor or uneven locations (e.g., steep inclines, stairs, grass), and work in outdoor weather and other military base conditions. Due to the nature of working on military installations or related worksites, counselors may need to comply with various site-specific requirements to work at designated locations. For example, for some assignments, counselors will need to have certain current immunizations or vaccinations and provide record of receipt.

Vehicle Operator's License Requirement: Unless specifically waived by the FDSIM COR, all contractor personnel providing counseling support at Government locations shall possess a valid U.S. state vehicle operator's license. As a condition for employment under this contract, contractor personnel may be required to pass all tests for and obtain a U.S. military vehicle operator's permit for commercial sedans and similar, for use at Temporary Duty (TDY) locations, if required.
