

At Central Maine Healthcare our team members are committed to providing exceptional care and experiences for our community and for each other every day.

Nurse Practitioner Family Medicine:At Central Maine Healthcare, we are changing the face of healthcare in Maine by providing exceptional quality and accessible care to our patients; where they are and when they need it. We recognize the need to be where our patients are; closer to their communities and offering high quality care through innovative channels. To meet the unique needs of our patient population, we have implemented tele-health and opened Maine Urgent Care and Ambulatory surgical centers within our communities. Our clinical affiliation with Mass General Hospital in Boston provides our community with the most innovative and current treatments available without having to leave Maine. As we continue to expand our services, one thing remains unchanged—our commitment to providing the best healthcare to the region's residents. Our physicians, advanced practice providers, nurses and staff are committed to providing patients with the quality medical care they deserve! Central Maine Healthcare is pleased to inform you of new openings for Family Nurse Practitioners in our growing Primary Care Division in the beautiful state of Maine! We are seeking an experienced Family Nurse Practitioner with 2+ years of experience to join our growing practice in Auburn, Maine. We provide quality care for patients of all ages. Services include management of acute and chronic disease, preventive care, gynecological exams, minor office procedures and phlebotomy.

Relocation Assistance? Tuition Loan Reimbursement: \$25,000? Continuing Medical Education — 5 paid CME days and \$3,000 for CME activities? Professional opportunities for mentorship, growth and advancement

About Our Community: Maine is a land full of beauty offering beautiful beaches, a rocky coastline, lakes and mountains all within driving distance. Maine has lots to offer outdoor enthusiasts throughout the year from camping, hiking, biking, swimming, skiing, etc. Within the state there is a burgeoning food, craft drink and entertainment scene. For families, Maine offers safe communities with access to rural and urban areas; as well as nearby airports, train and bus stations. Boston is just a couple of hours to the south and can be accessed by car, train or bus.

Lewiston Region: Maine's second largest city, Lewiston and the city of Auburn sit on the banks of the Androscoggin River. Together the cities, L/A as it is referred to locally, form the cultural and business center of Androscoggin County. The cities offer a robust food, drink and arts scene along with world-class educational institutions, such as Bates College. Outdoor opportunities abound with trails, public green spaces and water access to the river and area lakes.

Bridgton Region: Bridgton is a town in Cumberland County, Maine; a resort area in Maine's Lake Region and home to Bridgton Academy, a private preparatory school. The town is nestled among many of the state's most scenic lakes and offers a variety of year-round outdoor recreation activities, as well as easy access to some of the area's most significant historical and cultural sites, as well as the Atlantic coast beaches. Ski enthusiasts, in particular, will love this area for its ski slopes -these unique ski slopes, created by the townspeople in the 1930's, spell the word —LOVE—.

Rumford Region: A beautiful, rural

area, the town is located in west-central Maine's Oxford County and is surrounded by forests, mountains, rivers, and lakes. This area boasts many recreational opportunities for boating, swimming and fishing; and it's also home to the largest waterfall east of Niagara. The business district of the town is located on "The Island" located between the Androscoggin River and the canals. The Island features restaurants and retail stores along with the local government offices, Post Office and banking institutions. For more information, visit Central Maine Healthcare or connect with us on Facebook, LinkedIn and Twitter. To be considered for this position: Please apply through our online, short application process using the APPLY button. Should you have any difficulty applying, please contact: Kimberly Levasseur, SHRM-CPP Provider Recruiter levasski@cmhc.org

If you are passionate about making a difference and are looking for your next great career opportunity, we look forward to reviewing your application! AT CENTRAL MAINE HEALTHCARE YOU ARE AT THE CENTER OF EVERYTHING WE DO

Our why, our purpose, drives every decision and action we take as a healthcare system. We strive everyday to deliver exceptional care, and to improve our community. We are a non-profit organization that is breaking the traditional healthcare mold by bringing our patients and their family's high value, low cost, and award-winning care while focusing on creating an exceptional experience for them; all within their communities. To accomplish this, we only hire individuals who are committed to excellence, who embody the principles of our CMH Experience Service Standards, and who are ready to step in and help their fellow team members achieve those exceptional results for our patients, their families, and the community.

Central Maine Healthcare System

The organization is broad in its footprint, with three (3) hospitals in Bridgton, Lewiston, and Rumford, and over 75 individual practices within our Medical Group. Lewiston's Central Maine Medical Center is a certified and award-winning level two trauma center, along with our Central Maine Heart and Vascular Institute and the upcoming highly anticipated launch of our comprehensive state of the art cancer treatment center. Both Bridgton and Rumford Hospitals are four (4) star accredited acute care hospitals, and our Medical Group and Maine Urgent Care Centers have won multiple awards within their specialties. As a system we are a six-time winner of the Leapfrog Safety A Rating since 2019, representing some of the highest quality care and outcomes nationwide. Our awards and accolades are only possible as a result of our commitment to culture, and a focus on safety and inclusion, in each of our patient's experiences and in the experiences we create within our teams.

If you are a person who is looking for a way to give back to your community, to help improve the lives of patients or those who care for our patients, want to be part of a growing organization that is setting the bar for Maine healthcare, apply to join Central Maine Healthcare today!

Diversity and Equal Employment Opportunity

CMH actively promotes diversity in its workforce at all levels of the organization. W
